

*Concord International Investments Group, L.P.*

**Winner of Best Asset Manager – Egypt 2015**

by **cfi.co** - Capital Finance International

**FT: Egypt proves best destination for stock market investors**

“Egypt was 2014’s best destination for stock market investors, producing a total return including dividends and share price rises of more than 30 percent, in a year in which the US led equity rallies in developed economies... the MSCI index for Egypt has almost doubled since mid-2013”.

*(Financial Times, 2 January 2015)*
